

# COBURNS

## Supreme Heather Glen Mixture

- 3 kilos Aber®Dart Intermediate Perennial Ryegrass
- 3 kilos Bree Intermediate Perennial Ryegrass
- 2 kilos Aber®Glyn Tetraploid Intermediate Perennial Ryegrass
- 3 kilos Foxtrot Late Perennial Ryegrass
- 1 kilo S 48 Late Pasture Timothy
- 2 kilos Aniset Strong Creeping Red Fescue
- 0.5 kilo Aber®Dai Medium Leafed White Clover
- 0.5 kilo Aber®Ace Small Leafed White Clover

15 kilos per acre

**From 'The Sperrins' to 'The Glens' sheep farmers have voted it No.1.**

A "genuine" grazing mixture for sheep including red fescue and late pasture timothy.

Well able to withstand any "winter kill" which sometimes effects areas of traditional sheep farming.

# COBURNS
